◊ - Course offered only in semester indicated

Revised 5/2022

β – Must complete course with a grade of “B” or better to move into the degree-granting majors.

☞ Compete A) second-level proficiency (either through 1302 or 1412) in a Foreign of Classical language

B) second-level proficiency (1406+) in American Sign Language (minimum 3 hours)

C) **Take 3 hours of a Culture Course included on the FLC Distribution List for Engineering Programs: BIC 4374 counts**

BSE students must complete one of the following: 1) a targeted set of courses in one of the following concentrations (Biomedical, Geo-Petro, Environmental, or Humanitarian). See the General EGR flowchart for detailed course listings for each. 2) Any minor offered by Baylor except EGR or Mathematics. Note that an additional minor in MTH can be earned by the proper choice of math/science elective but does not satisfy this requirement. Take an additional 6-8 hours from the courses above or from courses which have one or more of the above as prerequisites.
